December 2006

### Aircraft Improvement *Steve Loyer*

Steve Pauken has been doing the legwork on the clubs behalf to get quotes on replacing the interior of 93M. He has three or four quotes and all appear to be in the \$8000 range. He did receive one quote from an outfit in Texas that said it would do both interior and exterior for \$12,000. We will be evaluating these quotes at January's board meeting and decide then how to proceed.

### January Plane Wash

Our next plane wash will be Saturday January 6<sup>th</sup>. Weather permitting, we will meet at 7:00 a.m. and fly to Payson for breakfast. We should be back to Stellar by 10:00 a.m. to wash and wax all three aircraft.

### 2007 Board of Directors

We are in the process of making plans for our 2007 annual meeting. The main purpose for this meeting is the election of members to serve on the club's board of directors. Any member may serve on the board of directors. I'm sure we will have a few positions were the current office sitter decides not to serve again, including the presidency. In any case, all positions on the board are available for anyone who wishes to run. Please consider volunteering

to stand for club office. The decision making authority for the club rests entirely with the board of directors and the club needs members who are willing to serve in this capacity.

### December Maintenance Report *Rich Kupiec*

**N428DW:** Replaced tube and tire.

**N6693M:** Changed oil and oil filter, cleaned and gapped plugs, and sealed case plug. Replaced the alternator and voltage regulator. Installed new alternator mount bushings. Installed new tire on left landing gear and replaced both landing and taxi lights and repaired light switch.

**N2493Q:** Annual inspection completed with an oil and filter change and cleaning and gapping the plugs. Installed new Rosen visors.
