Stellar Gate Closed 24/7

The car gate into Stellar Air is now closed at all times. For drive through access to our aircraft, a "clicker" will need to be purchased from Stellar Air. Contact Bob Gottlieb at (480) 961-9050 for details.

Stellar Radio Pest

There have been reports of an unauthorized individual handing out unsolicited advice over the radio at Stellar. This individual refuses to identify himself when challenged. The best way handle this is to ignore anyone that does not identify himself as another aircraft or as an appropriate authority on the ground.
